

RODEO-HERCULES FIRE PROTECTION DISTRICT

MEMORANDUM

TO: BOARD of DIRECTORS

FROM: Bryan Craig, FIRE CHIEF

DATE: December 21, 2021

RE: Resolution to Continue Conducting Board of Director meetings Remotely

BACKGROUND:

On March 4, 2020, Governor Newsom issued Executive Order N-29-20, suspending teleconferencing restrictions of the Brown Act due to the COVID pandemic. This allowed for public meetings to be held virtually. Since April 2020, all Rodeo-Hercules Fire Protection District meetings have been held virtually, via the Zoom platform.

On June 11, 2021, Governor Newsom issued Executive Order N-08-21, rescinding Executive Order N-29-20, requiring public agencies to return to in-person public meetings as of October 1, 2021.

Since the issuance of Executive Order N-08-21, the highly contagious Delta and Omicron variants have emerged, causing a spike in cases throughout the state. As a result, the Contra Costa County Health Department issued a Health Order requiring masks indoors in public places, regardless of vaccination status, starting August 3, 2021. This Health Order remains in place. In addition, the California Department of Public Health requires that from December 15, 2021 to January 15, 2022 masks must be worn indoors.

On September 16, 2021, the Governor signed AB 361 (2021) which allows for local legislative and advisory bodies to continue to conduct meetings via teleconferencing under specified conditions and includes a requirement that the Board make specified findings. AB 361 took effect immediately.

In anticipation of AB 361 being signed into law, the Board of Directors previously adopted Resolution, Number 2021-09 on October 13, 2021, finding that conditions exist for the legislative bodies of Rodeo-Hercules Fire Protection District to conduct remote teleconference meetings.

DISCUSSION:

The California Legislature approved AB 361 and the Governor signed the bill into law on September 16, 2021. The bill allows local legislative bodies to continue to meet remotely after the October 1st deadline. A local agency's legislative body and advisory bodies will be allowed to continue to meet remotely when:

- The local agency holds a meeting during a declared state of emergency.
- State or local health officials have imposed or recommended measures to promote social distancing.

- Legislative bodies declare the need to meet remotely due to present imminent risks to the health or safety of attendees.

The District meets the requirements to continue holding meetings remotely in order to ensure the health and safety of the public:

- The District is still under a state of emergency as declared by the Governor
- County Health orders require that all individuals in public spaces maintain social distancing and wear masks.
- The District cannot maintain sufficient social distancing requirements for the public, staff, Board members, and advisory body members in their meeting spaces.

Now that the Governor has signed AB 361 into law, it is required that the Board declare every 30 days the necessity to continue to meet remotely in order to ensure the health and safety of the public.

RECOMMENDATION:

Staff recommends that the Board adopt the attached resolution to declare these findings and establishing the necessity to continue to meet remotely over the next 30-day period commencing December 21, 2021 and ending on January 21, 2022.
