SUBJECT: Recommendation for Chief Craig

Board Members,

I am writing to state my unqualified recommendation for Chief Craig for permanent Fire Chief of the Rodeo Hercules Fire District.

When Municipal Resource Group was initially engaged to assist the District in determining its financial status and develop recommendations for the District to address its financial issues Chief Craig had just been appointed as Interim by the Board. At that time the District's financial condition was dire—we projected the District would be unable to keep even one station open within two years.

Following our initial report, the Board and Chief Craig engaged in a vigorous effort to obtain voter approval for a significant increase in the District's revenue—which was overwhelmingly approved. The Board then engaged MRG to develop a budgeting and accounting system for the District which were fully implemented and continue to provide the District with financial strategies, accurate accounting and an auditable set of financial records.

Throughout our engagements Chief Craig has provided consistent support, leadership and an incredible sense of commitment to the District. He has worked diligently to improve the Community's perception of the District, worked effectively with the City of Hercules and other public agencies and maintained an excellent relationship with District staff.

Having worked with numerous police and fire chiefs I can say without reservation that Chief Craig is the right person at the right time with the right skills to serve as the permanent Chief of the Rodeo Hercules Fire District.

Sincerely,

To: The Rodeo Hercules Fire District Board of Directors

Ref: Bryan Craig, Interim Fire Chief

It has been brought to our attention as the citizens of Rodeo and Hercules, the Rodeo-Hercules Fire District Board of Directors is seeking to interview two candidates for the Fire Chief position-the current Interim Fire Chief, Bryan Craig, and another candidate hand-picked by the Board. What has not been disclosed is the reason for this particular candidate, and why you are seeking to replace the current Fire Chief.

What we haven't been able to determine, based on review of Board Minutes, Audio and documents, is why? Chief Craig has been an employee of the fire department for over 30 years, moving up through the ranks learning each position from fire fighter to where he is now. Since he was put in the position of Interim Fire Chief, he successfully navigated an extensive financial review of District finances, a Parcel Tax Measure that will help keep both stations open, and an overhaul of the accounting and budgeting systems. He has been an active member of the District, attending many meetings and mending fences that had been broken by his predecessor. He has continued to demonstrate his leadership skills, whether it was here in the District, or in Santa Rosa during those devastating fires.

The question has been asked of the Board at more than one meeting as to why you are entertaining another candidate, and you have refused to answer. How is this anywhere near transparency, which you claim to be a supporter of? You supported the financial overhaul and budgeting in an effort to be transparent, yet discussions and recommendations for a Fire Chief Candidate are occurring behind closed doors.

Why has the Board not offered the permanent job to Bryan Craig?

A simple public search of your potential outside candidate shows that he is currently collecting over \$175,000 as a retired firefighter. Why would you entertain another "double dipper?" This is exactly what was complained out regarding a prior District Fire Chief.

Another search also showed that the outside candidate has in the past owned property with one of your Directors, Bill Prather. This shows that they have an outside friendship and relationship. How can the public be assured that this is a fair and impartial process when one of your Directors is actively advocating for one of his friends? This smells of corruption.

We are 100% in support of Bryan Craig as the permanent Fire Chief, and respectfully request that you appoint him the position. There has been no public comment from the Board regarding their reasons behind entertaining another candidate. If you ignore the public's request to appoint Chief Craig, we demand that you give a reason, as well as do a PROPER search for a Fire Chief, not hand pick a double dipper who is buddies with one of your board members.

In closing, we the citizens of Rodeo and Hercules would appreciate this matter addressed in an open forum as it not only affects Fire Department but it also affects all of us living in the District as well.

Respectfully,

Rodeo and Hercules Citizens and Voters

In Support of Bryan Craig, Interim Fire Chief

Filing Extension for Measure O Senior Citizen Exemption

Board of Directors:

I am requesting the Board of Directors to consider two proposals regarding the Measure O Senior Citizen Exemption for 2018-19 taxes:

1. Extend the filing deadline for the Senior Citizen Exemption from January 31 to April 30 or June 30, 2018. This would provide more time for seniors to file the claim form and supporting documentation. Last year, the filing deadline was June 30, 2017.
2. Automatically renew the tax exemption for homeowners that received the exemption for 2017-18 taxes and currently reside at the same address.

These two proposals are consistent with the policies of other agencies such as the West Contra Costa Unified School District. See attached application form for Senior Citizen Exemption from the Measure G Parcel Tax.

I received the Measure O exemption for 2017-18 taxes but missed the early filing deadline for 2018-19 taxes. I am the homeowner and live at the same residence in Hercules.

Please discuss these proposals at your Board Meeting on February 14, 2018, and let me know your decision.

Thank you,

Donald Kuehne

**West Contra Costa Unified School District
Measure G Parcel Tax
Senior Citizen Exemption Application
Fiscal Year 2018-19**

On November 6, 2012, the registered voters within the West Contra Costa Unified School boundaries approved Measure G. Measure G is a continuation of the previous parcel tax, Measure D. It will run for five years beginning July 1, 2014. The funds collected from Measure G is used to protect small class sizes, protecting core academic classes, retain excellent teachers, prepare students for post-secondary education paths, and school campus safety. Measure G allows a "Senior Citizen Exemption" for any parcel of taxable real property owned and occupied by at least one person 65 years of older.

To qualify for the senior citizen exemption, you must: 1) turn 65 years old before July 1, 2018; and, 2) own and occupy your property as your primary residence;

How to Apply for the Measure G Senior Citizen Exemption

1. Applications are available electronically, by email, by request, or in person:

- Download at www.wccusd.net
- Send an email to exemptions@sci-cg.com
- Call the Parcel Tax Administrator at **(844) 332-0549** for application by mail
- Apply in person at **West Contra Costa Unified School District, 1400 Marina Way South, Richmond, CA 94804.**

2. Complete the Measure G Senior Citizen Exemption Application and include the following documentation (*copies only*):

3. Mail the application and required documentation: Attn: Measure G Exemption, c/o Parcel Tax Administrator, 4745 Mangels Blvd, Fairfield, CA 94534 no later than July 1, 2018.

If you received your tax exemption in 2017-2018 and are still the homeowner and currently reside at the same address, you **do not** need to renew your tax exemption, it will automatically be renewed.

If you sold your home and purchased a new home, you must re-file for a Senior Citizen Exemption for the new property.
